P5-Kevin called to say that Julia is still withholding the child from him. She isn't home when he goes to pick up Madeline and she does not answer her phone. I told him that I spoke with the State's Attorney office and they told me that they would not charge her criminally. I was told by ASA Goode that Kevin needs to contact his attorney and go after Julia in civil court. The more Julia withholds the child the more rights will be taken away from her in civil court. I relayed this information to Kevin and he said that he would continue to document her withholding the child with this department and seek an attorney for civil court.
